Manufacturers spend BILLIONS in newspaper advertising to offer over \$300 billion worth of grocery coupons every year. However, Consumers saved less than \$2 billion by using these coupons. Since 90% of All households use coupons weekly, it's clear that consumers are not getting all the savings that are really available to them. The reason is that with newspaper coupons, savings are by chance, not choice. Now you can select the savings on the products you need when you need them. You select the groceries you want to buy from a list of national brand name products. No more clipping coupons to save on a few items. This program is guaranteed to save your family over \$1000.00. It makes good economical sense to save on necessities of life.
